Pure Maple Syrup
Size: 16.3x8.5x8.5 in.
Weight: 38 lbs.
UPC:
0-30576-15032-8

Grade B Pure Maple Syrup has a more robust flavor and darker color than table grade maple syrup. These two attributes make it a perfect all natural substitute for sugar, and gives all your baking that great natural maple flavor. Some studies have even suggested that Grade B Maple Syrup has higher nutritional values than Grade A syrups. Try Anderson's Grade B the next time you are in the kitchen.
