

NATURALLY SWEET

GLUTEN FREE AND NUT FREE STATEMENT:

Pure Maple Syrup is derived from the process of evaporating water from the sap of the maple tree. Maple Syrup is a naturally gluten and nut free product. Pure Maple Syrup and other Maple Syrup/Sugar products produced in Anderson's facility do not come into contact with any allergens including wheat and nuts during processing or storage while in our facility.

ALLERGEN STATEMENT:

Anderson's Maple Syrup products contain no known or suspected allergens. No allergens are used in processing Pure Maple Syrup or anything else processed in Anderson's facility. Equipment used has had no contact with allergens. The following foods, and any ingredient that contains protein derived from one or more of them, are identified by the law as major allergens.

- Milk
- Fish (e.g., bass, flounder, cod)
- Peanuts
- Tree Nuts
- Sesame
- Eggs
- Crustacean shellfish (e.g. crab, lobster, shrimp)
- Wheat (Gluten)
- Soy

NON-GMO STATEMENT:

Anderson's pure maple syrup is produced solely from the sap of the maple trees. Pure maple syrup is not a genetically modified food nor are the trees that the sap is gathered from. Organic certification also ensures no GMOs are present in our products.

VEGAN STATEMENT:

Anderson's Maple Syrup, Inc. considers the following definition for Vegan:

Products that do not contain meat, fish, fowl, animal by-products, egg products, milk products or honey products. By this definition Anderson's Pure Maple Syrup is vegan.

ORGANIC:

Anderson's Organic Maple Syrup is certified organic under the US National Organic Program (7 CFR Part 205) for the following categories: Handler of Organic Products including the processing, handling, packaging, labeling, private labeling and distribution of maple products - "Organic" - Maple Sugar and Maple Syrup. Not all of the products we sell are certified organic. If you wish to only purchase "Organic" please look for the word on the label.

KOSHER:

Anderson's Pure Maple Syrup, Inc obtains a Kosher certificate from United Mehadrin Kosher (UMK). We are routinely inspected by the rabbinical union to ensure our processes continue to meet the necessary criteria to label our finished products with the appropriate Kosher symbol.
